

Gloria McCarthy

Executive Vice President and Chief Administrative Officer

Gloria McCarthy serves as Executive Vice President and Chief Administrative Officer for Anthem, Inc. She is responsible for leading the company's service operations functions aimed at delivering exceptional, personalized service to Anthem's nearly 41 million insured members and over 79 million lives served. Additionally, she oversees key enterprise functions including Information Technology (IT), Enterprise Execution, Service Experience, and leads enterprise-wide change initiatives, designed to foster growth, innovation and continuous improvement. McCarthy holds more than 40 years of industry leadership experience advancing operational execution and excellence. She previously served as Executive Vice President, Enterprise Execution and Efficiency and Executive Vice President, Office of the CEO. Prior to joining Anthem, McCarthy was Executive Vice President and Chief Operating Officer of WellChoice, which merged with Anthem in 2006.
