

Today's evolving health care system demands a new kind of health benefits company – and we take that responsibility seriously. Anthem, Inc. is committed to ensuring consumers have expanded access to high quality, affordable health benefits. Going beyond the expected, we recognize and are dedicated to helping people more effectively decide how to choose and consume health care. We deliver meaningful value to consumers and shareholders through provider collaborations and engagement with physicians; enhanced affordability and cost of care and care management capabilities; and a superior portfolio of solutions that deliver a better, more personalized health care experience. Embracing innovation, we have the insights and access of a broad network and dedicated local presence to meet the needs of the increasingly diverse customers, membership and communities we serve.
